EPA MIGHTY CLOUDS RECYCLE - RADIO :60 "I Wanna Thank You"

MUSIC: "I Wanna Thank You"

JOE: Hi. This is Joe Ligon with my good friend Richard from the Mighty Clouds of Joy. We want to talk to you about something that is important to us.

RICHARD: To us, to you, to everybody. It's recycling.

JOE: Recycling.

RICHARD: Did you know that the average person throws away more than four pounds of garbage a day? Problem is, it's not all garbage.

JOE: That's a lot of garbage.

RICHARD: When we heard that, we decided to recycle everything we can. Glass bottles, aluminum cans, paper.

JOE: In fact, recycling one ton of paper saves about 20 trees. That's good.

RICHARD: Good for the soul.

JOE: Good for the planet.

RICHARD: Good for where we live, our neighborhood.

JOE: And we've got something to say to everybody who recycles.

MUSIC: Chorus from "I Wanna Thank You"

RICHARD: We recycle and we're asking you to do the same.

ANCR: For more information on recycling, the U S Environmental Protection Agency, between 9 A-M and 5 P-M, Monday through Friday, at 1-800-424-9346.

JOE/RICHARD: This is our neighborhood. Recycle.
